Section 2

Local Area 911 Implementation

List all individual local areas covered by this report (e.g., Lee County, Virginia):

Coal County, OK
Garvin County, OK
Murray County, OK

For each area listed above, identify the emergency response point to which calls are now being routed.

The emergency response points for Coal, Garvin, and Murray counties are the local sheriff departments.

Section 3

Certification - To be signed by an authorized representative of the reporting entity

I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and that the reporting entity has completed the steps necessary to properly route 911 emergency calls in the localities covered by the report as of September 5, 2002.
